

## **Requirements for an Acceptable Photo for the UNYP ID/ISIC Card**

- In color
- High quality, JPG format  
(no smudged photos, no photos taken from too far, no shadows on face etc.)
- A picture of a face and shoulders taken directly from the front, eyes looking into camera
- Taken in front of a plain white non-disturbing homogenous background  
(no other colour is acceptable, no stripes, patterns, shadows etc.)
- Face must be in the center of the picture, with no part of the head out of the frame or touching the edge  
(there must be at least small space between all edges of the photo and the face in it)
- No hat or headgear that obscures the hair or hairline
- Dark glasses or nonprescription glasses with tinted lenses are not acceptable
- No „red eye“ or glasses reflection

**It should look like this:**
